SQS is engaged in providing comprehensive school improvement services to schools and school districts. SQS services include:

- Leadership Development
- Leadership Recruitment
- Strategic Planning
- Curriculum Auditing
- Title I Schoolwide Planning
- Program Evaluation
- Grant Development
- Instructional Improvement
- Financial Reviews
- Assessment and Data Services

SQS principal, Michael Williamson is committed to school excellence and student success. Mike has served public education for over forty years, as a:

- teacher,
- finance administrator,
- district superintendent,
- MDE Deputy Superintendent,
- education business executive,
- researcher,
- and consultant.

He has designed programs to promote school performance in both traditional and alternative school settings. Dr. Williamson has designed research and evaluation projects for numerous program models and implementations. While serving as Chief Academic Officer of *HOSTS Learning* Dr. Williamson developed solutions to assist schools in their efforts to meet the requirements of ESEA and improve reading and math achievement for students and schools.
